COMPANIONVAN[®] SE

CompanionVan® SE Features

Built on the 2011 Chrysler/Dodge chassis, the CompanionVan® SE (Side Entry) offers the accessibility of traditional lowered-floor minivans in a streamlined, economical package. With a manual door and manual bi-fold ramp, the vehicle is the perfect choice for those who will travel with an attendant. Both front seats and the rear bench seat are retained during the conversion process, allowing seating for up to five ambulatory adults with one wheelchair securement position in the center lowered floor area.

If you are looking for a budget-friendly solution to your personal mobility, this innovative conversion could be the answer.

The CompanionVan® SE is backed by our 3 year/36,000 mile limited and 5 year/100,000 mile rust-through metal protection on every vehicle that leaves the factory. Add to this the original Chrysler warranty for unconverted parts and a nationwide dealer network, and you can rest assured BraunAbility will be there to support you no matter where your travels take you.

Lowered Floor

The CompanionVan® SE floor is lowered from the B pillars to the rear seat, providing 55" for the center wheelchair securement position. Tie-down tracks and a belt system are included.

See Chassis Information page for Chassis Requirements

◀ Lowered Floor

The CompanionVan® SE floor is lowered from the B pillars to the rear seat, providing 55" for the center wheelchair securement position. Tie-down tracks and a belt system are included.

◀ Manual / Automatic Door

The conversion works with either the Chrysler manual sliding door, or the OEM power sliding door.

◀ Manual Foldout Ramp

The lightweight manual foldout ramp offers unparalleled ease of access for wheelchair and scooter users.

Custom Ground Effects

Adds stylish lines and enhanced appearance.

◀ Wheelchair/Occupant Securement System

One belt system is included for use with the floor-mounted tracks.

CompanionVan® SE Dimensions

All dimensions are for reference only.

Door Opening Usable Width (Slide Door)	A	31"
Door Opening Usable Height (Slide Door)	B	52-1/2"
Interior Height at Center of Van	C	57-1/4"
